Winter News and Shout Outs

December is a big month for us here at Land Shark Shredding! Late November/December brought many birthdays and wedding anniversaries for

our team members.

- Happy 14th wedding anniversary to our office manager, Erin Butler-Massey and her husband, Neal.

- Happy 1st wedding anniversary and 25th birthday to our Social Media Director, Emily Claybourn, and her husband, Cole.

- Happy 33rd wedding anniversary to our President and CEO, Don Gerard, and his wife, Maura.

The Land Shark Shredding team also celebrated the holidays by having our

annual Christmas party, this year hosted at our VP of Operations, Mandy Stuckey's, beautiful new home.

- There were Land Shark cookies, a game of dirty Santa, and some fun kiddos!

- Land Shark team members also had the pleasure of purchasing gifts for a little girl on the angel tree list this year! We had a blast shopping for her and plan to continue this tradition for years to come.
- Our Holiday Shred Bin Competition is still underway and we will feature our winner in the next newsletter, so stay tuned!
- Inclement weather: Watch our FB, IG and twitter accounts if we have to be closed or are running late (Click the links at the bottom of this email to follow us on social media)
