Upcoming Events and Sponsorships

Land Shark Shredding is a proud member of the Bowling Green community and proud sponsor of **WKU Basketball**. This year, LSS is the title sponsor for the WKU men's basketball game on **Sunday, March 3rd**, against Southern Mississippi in Diddle Arena.

- Contact us for free **tickets** to this event! We would love to see you there cheering on the Hilltoppers. We also plan on doing some fun **giveaways**, so make sure to be following Land Shark Shredding on social media for more details.

- Mark those calendars for the **Bowling Green 2019 Household Hazardous Waste Day** on April 27th. Location and times to be announced.

- Earth Day is also coming up in April. SOKY Earth Day will take place in Franklin, KY on **April 20th**. Details to follow.

Winter News & Shoutouts

This winter season has been full of celebrations and we want to make sure to keep you informed about what is happening both in and out of our office.

- We have two birthdays that we are celebrating this month. A big happy birthday to our driver, **Brandon Higdon**, and our director of government relations, **Patsy Kahoe**.

- Several members of Land Shark Shredding also attended the **2018 Annual Chamber Dinner**
- Bowling Green has had so much growth in the last 12 months and LSS is honored to have been a part of this and we look forward to an even better year in 2019!
- We are also excited to welcome our newest employee to Land Shark Shredding, **Leigh Bayles** (third from the left). We are happy to have Leigh on our team as the executive assistant to president and CEO, Don Gerard (far right).

- Our little Land Sharks have also been having some fun this month! Our office manager, Erin Butler-Massey, got to see her daughter, Whitaker, off to a **sweetheart dance** at school with her Dad.
- Congratulations are in order to our own, **Emily Braun**, for becoming accepted into the Bowling Green Young Professionals. Click [here](#) for more information on this program.

Customer Testimonials

We love hearing from our customers and finding out new ways we can improve and continue serving you to the best of our abilities.

Please let us know how we are doing and if you have enjoyed your experience with us. Follow the link below to leave us a google review: <https://www.landsharkshredding.com/reviews/>

Out with the Old. In with the New!

Tax season is upon us!
Are you a realtor? A tax preparer?

Don't forget to recommend Land Shark Shredding

to your clients for their purge needs when selling their homes and getting tax information organized. Spring is the perfect time to clear out those old files. Contact us to clear that clutter today.

Where Germs Hide in Your Office

- **Door Handles** - Everyone touches them! Wash your hands regularly for at least 20 seconds to help stop the spread of germs. You can also wash down handles with a sanitized wipe
- **Elevator Buttons** - Use your elbow to get to another floor or use hand sanitizer after you touch the button.
- **Desktop** - They have 400 times more germs than a toilet seat!
- **Keyboard** - People sneeze, spill food and drink on them. If you share a keyboard, be extra cautious to sanitize your hands before eating or rubbing your eyes.
- **Telephone** - With an average 25,000 germs per square inch, this one ranks at the top. Wipe it several times a day with sanitizer.
- **Coffee Maker** - Bacteria loves to grow in the damp, dark places in this machine. Fill it with 4 cups of plain vinegar followed by 3 cycles of water until you don't smell the vinegar. And, be sure to wipe down the coffee pot handle.
- **Kitchen Sponge** - It's wet and collects germs. Most new sponges will have salmonella and E. coli within 3 weeks.
- **Microwave Door** - So many people touch this when they heat their lunch up. Use a sanitizing wipe on it before you use it.
