Recent News and Shoutouts!

This summer season has been full of celebrations and we want to make sure to keep you informed about what is happening both in and out of our office.

- In May, Land Shark Shredding was invited by Google to attend a business meet up at Google's headquarters in California. Our Head

Shark, Don Gerard and assistant, Leigh, spent the week with Google learning how to grow the business even more. We are honored to have represented the state of Kentucky and are proud to use Google tools for our business.

- Land Shark Shredding members also attended a Grow with Google event locally this past month. The Grow with Google workshop served to educate and inform local business owners and non-profits in the community about the power that digital skills and tools can have in the growth of businesses. Click [here](#) to view the WBKO news interview of Don from this event.

- **Our sharks are also involved in the Bowling Green community! Shout out to Leigh Bayles on her performance in The Hunchback of Notre Dame with the BG Onstage cast. Congratulations to Leigh and the entire cast on a wonderful performance.**

- **We are excited for our own Emily Braun to serve on the iSigma 2020 conference planning committee. Congratulations on that position, Emily!**
- **Finally, we have had several summer birthdays to celebrate, including our driver, Matt, office manager, Erin, and our director of business development, Emily! Happy Birthday from Land Shark Shredding!**
